

PRESTON PARKER “ENLIGHTENED”

AVA: NAPA VALLEY, CARNEROS

VINTAGE: 2015

CASES PRODUCED: 952

VARIETAL: PINOT NOIR ROSE

TASTING NOTES: This beautiful and fragrant Rose is dominated by aromas of red berries and rose petals. The raspberry, strawberry, rhubarb and peach wrap around amazing acidity with a dry, crisp, refreshing finish.

WINEMAKING: The Pinot Noir was picked early to maintain the fresh lively acid. The Pinot Noir was destemmed, put directly into the press and then cold soaked for 8 hours on the skins to allow juice and skin interaction.

VINATGE NOTES: Vintage will be remembered for high quality, but low yields. The 2015 growing season in Napa Valley started out with unseasonably warm temperatures in the late winter and early spring. This resulted in an early bud break and bloom. The harvest was one of the earliest on record in Napa Valley. It concluded for most all vintners and growers in the valley by mid-October.
